

Haunted Highway 2023

East Windsor Parks and Recreation would like to invite town offices, businesses, and organizations to take part in our 4th Annual Trick or Treat event!

On Thursday, October 26th (rain date 11/2) from 5-7 PM, families will travel through East Windsor Park and collect treats from booths lining the park road.

Supporters can set up a decorated booth along the Haunted Highway and pass out treats to participating families. Each booth must provide their own candy. This is a great opportunity to promote your business or organization while supporting local families and allowing children to experience Halloween fun.

The event will take place in East Windsor Park at 27 Reservoir Avenue in Broad Brook. To register a booth, please contact East Windsor Parks and Recreation at (860) 627-6662.

Prize for Best Booth!
